Jill,

Until the Master Agreement between Philip Morris and Covance is executed, no work relating to this Project Agreement should take place.

Thanks,

Attached is the first Individual Project Agreement for the TES which covers Program Direction, Program Management, protocol development, site identification, and meeting attendance. Please review and contact me with any comments or concerns by April 16, 2002. I would like to finalize this agreement prior to our meeting the week of April 22.

Regards,

Jill
